

## THE CLAIMS

Claims 1-5 (canceled)

Claim 6 (Currently amended) The makeup kit of claim ~~[[1]]~~ 14 wherein said kit is contained in a carrying case.

Claim 7 (original) The makeup kit of claim 6 wherein said carrying case has a cover and a handle.

Claim 8 (original) The makeup kit of claim 6 including a mirror mounted in said carrying case.

Claim 9 (original) The makeup kit of claim 8 wherein said makeup kit further includes a container for storing cosmetic applicators.

Claim 10 (original) A makeup kit comprising:  
a backing portion on the inside of said kit having a plurality of receptacles thereon;  
a mask having cutout portions, each of said cutout portions pictorially representing a different portion of a human face; and  
a cosmetic material contained in each of said receptacles for each of said different portions of a human face;  
the cutout portions of said mask being positioned so that each of said cutout portions overlies a receptacle which carries the cosmetic for a corresponding portion of the human face.

Claim 11 (currently amended) The makeup kit of claim ~~[[9]]~~ 10 wherein said kit is contained in a carrying case.

Claim 12 (original) The makeup kit of claim 10 and further including a receptacle formed in said kit for storing cosmetic applicators.

Claim 13 (original) The makeup kit of claim 10 and further including a mirror in said kit.

Claim 14 (new) A cosmetic makeup kit comprising:  
a backing portion;  
a plurality of receptacles ~~[[on]]~~ formed on the top surface of said backing portion;  
each of said receptacles being positioned and shaped to provide a pictorial image of a different portion of a human face;  
material contained in each of said receptacles for use on the portion of the face that the receptacle pictures.

Claim 15(new) The cosmetic makeup kit of claim 14 wherein said kit is contained in a carrying case, said carrying case having a transparent cover permitting the observation of the pictorial images within the case when the case is closed.
